

Material Information **Launching of New Products**

We are delighted to announce that Heidelberg Materials Bangladesh PLC. (the Company) successfully launched four (04) special products on 15 November 2025 under its flagship brands *ScanCement* and *RubyCement*. Under the *ScanCement* brand, the Company introduced **PCC Max** and **evoBuild**. And under the *RubyCement* brand, the Company introduced **PCC Max** and **SRC**.

PCC Max is Bangladesh's first 52.5N grade PCC (Portland Composite Cement), offering significantly higher strength compared to conventional 42.5N PCC products available in the market.

evoBuild is a special green cement that reduces up to 50% carbon emissions during production while delivering higher long-term strength.

SRC is the country's first Sulphate Resisting Blast Furnace Cement, specially designed to protect structures in coastal and salinity-prone areas by preventing sulphate and salt-induced damage.
